

Samish Island Fundraising Concert

Community. Nature. Spirituality. Creativity. Family. Friends.

Samish Island Campground holds a special place in our hearts. We long for the chance to be together, basking in our love for each other and that sacred place.

To make sure Samish survives until we can gather there again, let's give back. Join this special fundraising concert.

We need at least \$30,000 to get through the summer season - much more, depending on how long COVID restrictions last.
